## **Ron Records, Documentation Specialist**

You are the documentation specialist. You will need to pay close attention to the activity in this scenario. Your job is to observe all the scenes and report on the following topics:

**General observations worth noting and reporting:**

---

---

---

**Identify potential *red flags* of harm to the resident:**

---

---

---

**What could staff have done to prevent the situation from happening?**

---

---

---

**Did any of Ann's actions in Scene One seem abusive? Which ones?**

---

---

---

**Evidence of ways to protect Bo and other residents:**

---

---

---

**Evidence of ways to promote staff members' dignity and respect:**
