

DHS IM Training Updates

March 1st, 2021:

The following courses have been updated on the DHS Learning Center (General Updates):

- Long Term Care Curriculum:
 - Initial Long Term Care
 - Advanced Long Term Care

The following course has been added to the DHS Learning Center:

- SSA Safeguarding Personally Identifiable Information (PII)

Please note that the SSA training is a mandatory training for anyone who has access to the SSA database. The SSA training was recently added to Admin Memo 17-07 as an annual required training. The SSA training can be found by using the Course Search feature on the DHS Learning Center by searching by the keyword “SSA.”

March 15th, 2021:

The following course has been updated on the DHS Learning Center (Incorporation of IRIS Streamlining):

- Long Term Care Curriculum:
 - Managed Long Term Care Overview
